

IN THE DRAWINGS:

Please approve the drawing changes as shown in red in the attached marked-up copies of Fig. 12C. A separate Letter to the Draftsman indicating the same proposed drawing changes is also enclosed.

REMARKS

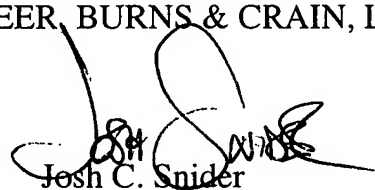

This amendment corrects an inadvertent typographical error in Fig. 12C. Specifically, the gate electrode 925a shown in Figs. 12A-12B has been erroneously numbered as "925b" in Fig. 12C. Therefore, Fig. 12C has been further amended to correct this error. No new matter has been introduced by this amendment, nor have any additional substantive issues been raised. Entry of this amendment is respectfully requested.

For all of the foregoing reasons, Applicants submit that this Application, including claims 16-17, 21, and 24-26, is in condition for allowance, which is respectfully requested. The Examiner is invited to contact the undersigned attorney if an interview would expedite prosecution.

Respectfully submitted,

GREER, BURNS & CRAIN, LTD.
